

Meet your new company car. Zipcar.

Got a client meeting downtown?
Need a cheaper alternative to late night
taxis home? Want to take your whole team
out to lunch? Grab a Zipcar.

Convenient: Access to Zipcars around the block or across the globe, 24/7

Cost-Effective: Reduced business driving rates include gas and insurance

Sustainable: Every Zipcar takes 15-20 personally owned vehicles off the road

Versatile: Over 60 different models - hybrids, SUV's and luxury cars

Easy: Sign up in minutes and be driving in no time

Zipcar 101

Learn the ropes. For a quick how-to lesson on using Zipcar, visit zipcar.com/business/how/.

Rules of the Road

Zipping is easy and fun, but there are a few rules. Before you get behind the wheel, please review Zipcar's [6 simple rules](#).

It's easy. Just 4 simple steps and you're in the driver's seat:

join

Visit your company's special sign-up page. It only takes a few minutes. Once approved, you'll receive a Zipcard – your key to Zipcars across the planet.

reserve

You can reserve a Zipcar for a couple hours or the entire day. Do it online at zipcar.com or use a smartphone. [Get the Zipcar App](#) for the iPhone and you can honk the horn and unlock the doors by tapping your iPhone!

unlock

Walk to the car, then just hold up your Zipcard to the windshield. The doors will unlock, and it's all yours.

drive

Drive away... and return to the same parking spot at the end of your reservation. And remember, gas and insurance are included.

Still have questions? Talk to your plan administrator or visit zipcar.com.
